Background

Dr Robyn Irvine RPBio is a Director of Poisson Consulting Ltd. and a senior ecologist with the company. She has published in the realms of statistical ecology, fisheries ecology and invasive species and cross-cultural restoration work. She has been a consulting biologist in BC since 2004 and currently serves as an Adjunct Professor at the University of British Columbia Okanagan. She has worked for Parks Canada since 2015 managing and supporting evidence based restoration in protected areas. She continues to work for Poisson part-time as a senior technical reviewer and director.

Education

1996 B.Sc. (Hons) in Biological Sciences Guelph
2004 Ph.D. in Statistical Ecology Calgary

Career

2004 Statistical Ecologist Golder Associates
2008 Statistical Ecologist Poisson Consulting
2015 Conservation and Restoration Project Manager Parks Canada
2020 Restoration Ecologist Parks Canada
